

Overview of ShopWithScrip and Kroger Cards

The ShopWithScrip Gift Card and Kroger Card programs are fundraisers where you can earn money and points all year long for your daughter's account! Kroger cards pay 4% and ShopWithScrips pays 2-20% depending on what you are purchasing. Profits are subject to the 75/25 split to the general fund.

Scrips orders are placed twice a month (15th and last day). They will be ready for pick up at the gym within a week. Four weeks before Christmas, orders will be placed every week for your holiday gift card giving!

If you have questions about ShopWithScrip or Kroger Cards, please email **Nancy McCann**: nancy.mccann@sweco.com.

ShopWithScrips

Follow these steps to set up your ShopWithScrip account:

1. Go to shopwithscrip.com
2. Click on "Create Account" button in the green block
3. Use your email address as your user account name
4. Enter the required information and your daughter's name in the student field
5. Enter the code **28F9BDA12L8L** to link your account to CGA Parents Club

Once your account is set up, you may order gift cards online. Go to the SHOP tab and click on Express Add to select gift cards for purchase. (There are other ways to search/order but this is the easiest).

After you have selected all your cards, proceed to checkout. Please print the Family Order Receipt and place it **ALONG WITH YOUR CHECK** in the payment slot at the gym. **Your order will not be submitted to Scrips until your payment is received.** A copy of the Family Order Receipt will be included with delivery of your cards for easy verification.

When you look at the % that you earn, you will notice that the amounts end in 0.74. This is because Ohio charges a 0.26% tax. This tax is reflected on the ShopWithScrip website.

Companies will offer extra % for certain time frames. If you order ONLINE during that time frame, you will receive the extra %. Click on the SPECIALS link to see what gift cards have a special promotion in progress.

The online orders will accumulate for about two weeks. The coordinator (Nancy McCann) will submit all **PAID** orders on the 15th and last day of each month. They will be ready for pick up at the gym within a week.

If you don't want to worry about getting a check to the gym, then Presto-Pay is for you!

Presto-Pay!

Presto Pay is a service that will debit your checking account for the face value amount of your order plus a small convenience fee of \$0.39. This charge is from GL Scrip, not the Parent's Club.

Follow these steps to set up Presto-Pay!

1. Click on the Presto-Pay! link on the ShopWithScrip website
2. Agree to the terms and enter your banking information
3. GL Scrips will verify your information and make two small deposits in your account
4. Check your account for those amounts and enter them online
5. You will receive a 4 digit code to send to the coordinator
6. The coordinator will enter the code and verify that set up is complete

You may now use Presto-Pay! The entire set up takes about 3-4 business days. Please note that if you place an order before 3:00, the money will be taken that day. After 3:00, the money will be taken next day. (They process billing once a day at 3:00).

Advantages of Presto-Pay!

- **ScripNow!** This feature allows you to receive a gift card voucher via email within 30 minutes of placing your order! No need to wait for the coordinator to submit the order. You can also send e-Gifts!
- **Reload** – reload a gift card you already have! This usually takes 24-48 hours for the gift card to reflect the additional monies. Again, no need to wait for the coordinator to submit the order.

Please read the FAQ's carefully about these two programs. Presto-Pay! will charge \$0.39. Please verify all amounts before submitting your order.

KROGER Cards

Kroger cards are \$25 and are reloadable at Kroger. Please email Nancy to order your initial Kroger card(s). Then place your check in the payment slot at the gym. Once she receives payment, she can get the card(s) to you within a couple of days. You do not need to wait for the Scrip orders.
