

Join the CGA Coaches Spectacular Sponsorship Team!

Be one of a select number of local, regional and national organizations that will sponsor more than 1,200 gymnasts as they compete during the CGA Coaches Spectacular, hosted by Cincinnati Gymnastics Academy Parents Club. We welcome partners of all sorts, shapes and sizes; including independent businesses, publicly held companies, fraternal orders/chapters, philanthropic individuals, and private foundations. This year, the 3-day competition will be held at the Northern Kentucky Convention Center, January 15 – 17, 2010.

Why Become A Coaches Spectacular Sponsorship Partner?

It currently costs a gymnast between \$6,000-\$7,000 per year to begin realizing their dream of becoming a U.S. Olympian, National Champion, International Elite, or even an experienced gymnastics coach. These acrobatic marvels possess a genuine love for the sport, and a true dedication to the pursuit of excellence, that is inconceivable to most people. Tuition fees cover only 60% of the total amount. Hard work by the CGA Parents Club members is necessary to help offset the remainder of these expenses. Hosting this invitational allows us to honor the coaches entrusted with teaching these youngsters life lessons, as well as technical skills; it is the largest, most esteemed, fundraising activity organized and operated solely by the families themselves! Your generous endowment is a very prominent way to support these passionate athletes and your community by encouraging their Olympic-sized goals and, by directly assisting in the development of these special individuals destined to be future leaders and role models in our society.

The CGA Coaches Spectacular features participants representing more than 48 renowned gyms, many traveling from across the nation and beyond, who will compete in sanctioned USA Gymnastics' levels 3 through 10/Open. Former Olympians and present International Elites will be on the premises throughout the weekend. 12,000 plus spectators will attend this event at the Northern Kentucky Convention Center over the 3-day competition in January (a list of visiting home states/countries from past years is enclosed). That means massive exposure and advertising impressions for your organization! Our electronic brochure for the Spectacular can be viewed at www.cgaparentsclub.com. Please note: our group is a 501c(3) non-profit association.
